Announcements

- We will have a short Faculty meeting in the cafeteria after school today. Everyone is expected to attend.
- I will have a sign in sheet for keys in both offices today. Please make sure you sign in your keys before you leave on Friday. If you are going to need your key next week you may keep it and check it in next week. I will be on campus next week except for Monday.
- Please continue to prepare your rooms and materials for the end of school as directed by Mr. Ray. Do not plan on moving any materials to your classrooms at Hackett for a few weeks after school is out since the rooms at Hackett will be in the process of cleaning and waxing floors. Personal Materials that will be moved to Hackett should be safe in your classrooms until classrooms are available at Hackett.
